

## ***How To Set Up Online Banking Alerts***

It's easy to set up Alerts through your Parkway Internet Banking account.

### **Personal e-Access accounts**

- Log onto Consumer e-Access and click on "Customer Service"
- Under "Contact Options," choose "Manage Alerts"
- Follow the easy set-up instructions.

### **Business e-Access accounts**

- Log onto Business e-Access and click on "Administration"
- Under "Communications," choose "Manage Alerts"
- Follow the easy set-up instructions.
